We try our best to provide each organization the ability to support a specific player, team, or division (*see division details below*) for the regular season, but there are no guarantees. If you have a preference, please indicate below and we will try our best to accommodate. In case of conflicts, a **first come first serve** basis will be used for both jersey imprint and banner display (*if overcrowding of fence lines should occur*), with exception only for team managers or coaches due to their increased volunteer commitment with the kids. If you have a preference, you get your form and payment to us well ahead of time. We do not offer jersey imprint during Fall or allstar seasons.
